

6M_Org – scType Confidence Scores

Reference: Panglao

Cluster 0

Reference: Panglao

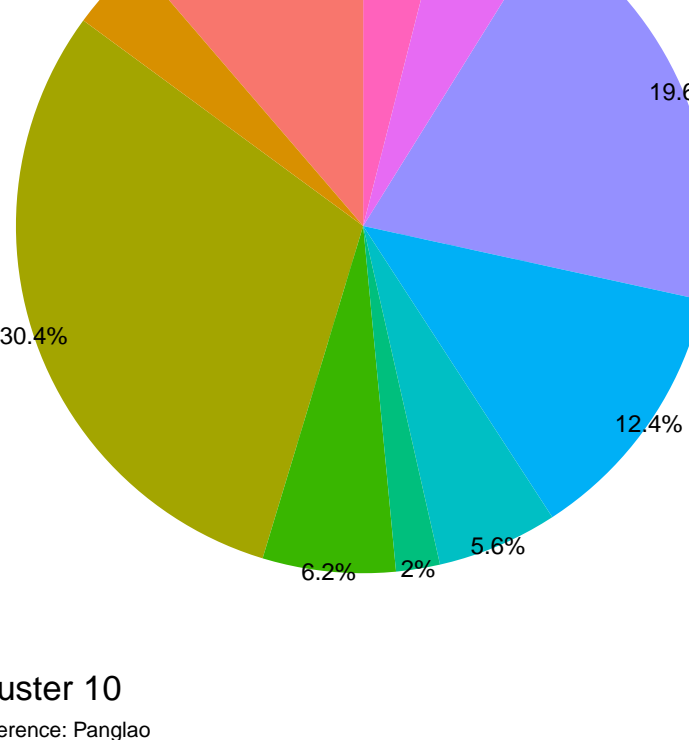

Cell Types

- Astrocytes
- Bergmann glia
- Ependymal cells
- Microglia
- Oligodendrocyte progenitor cells
- Oligodendrocytes
- Radial glia cells
- Satellite glial cells
- Schwann cells
- Tanycytes

Cluster 1

Reference: Panglao

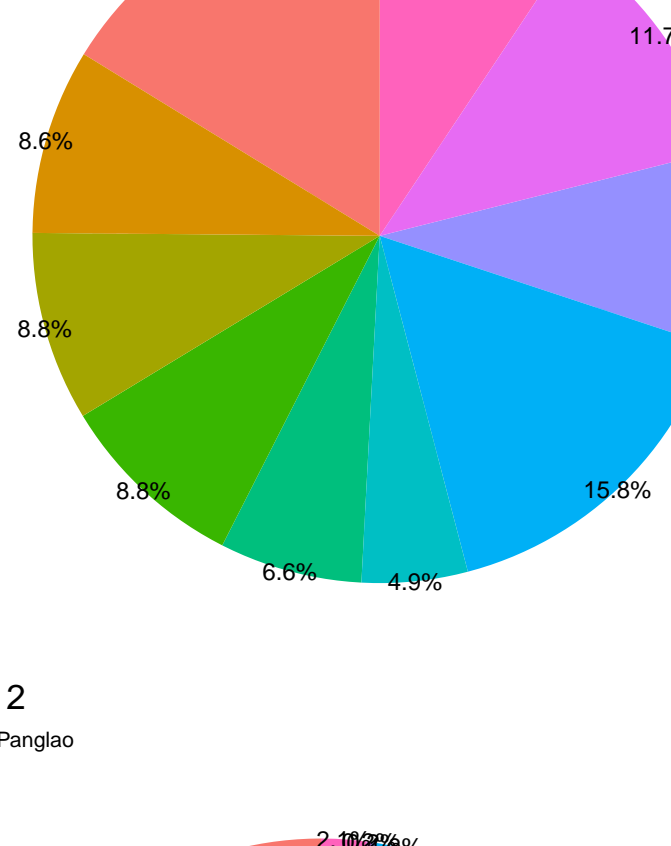

Cell Types

- Adrenergic neurons
- Anterior pituitary gland cells
- GABAergic neurons
- Glycinergic neurons
- Interneurons
- Neuroblasts
- Neurons
- Purkinje neurons
- Retinal ganglion cells
- Tanycytes

Cluster 10

Reference: Panglao

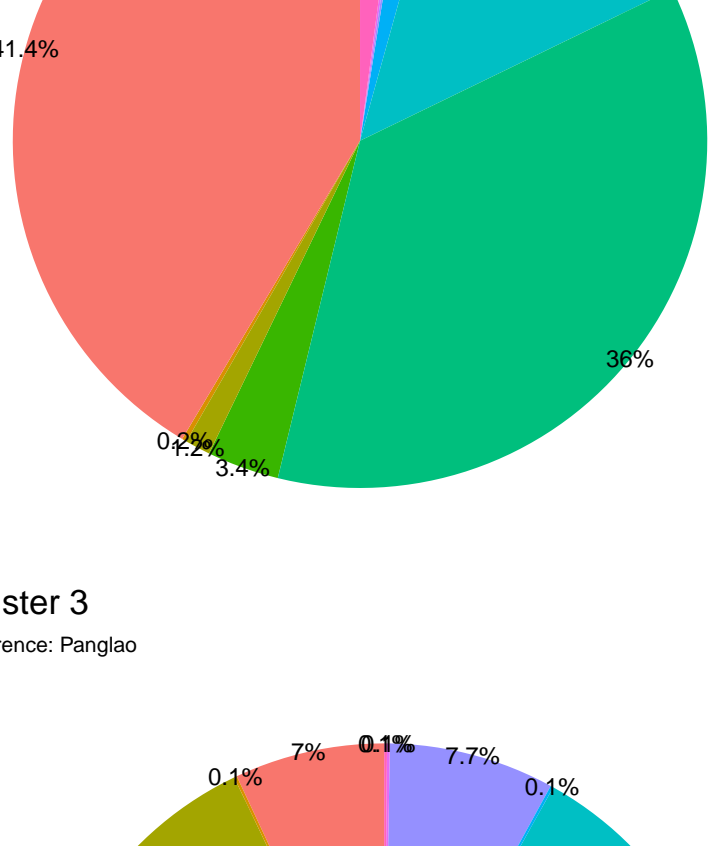

Cell Types

- Cajal–Retzius cells
- Choroid plexus cells
- Immature neurons
- Interneurons
- Neuroblasts
- Neuroendocrine cells
- Neurons
- Purkinje neurons
- Pyramidal cells
- Retinal ganglion cells

Cluster 2

Reference: Panglao

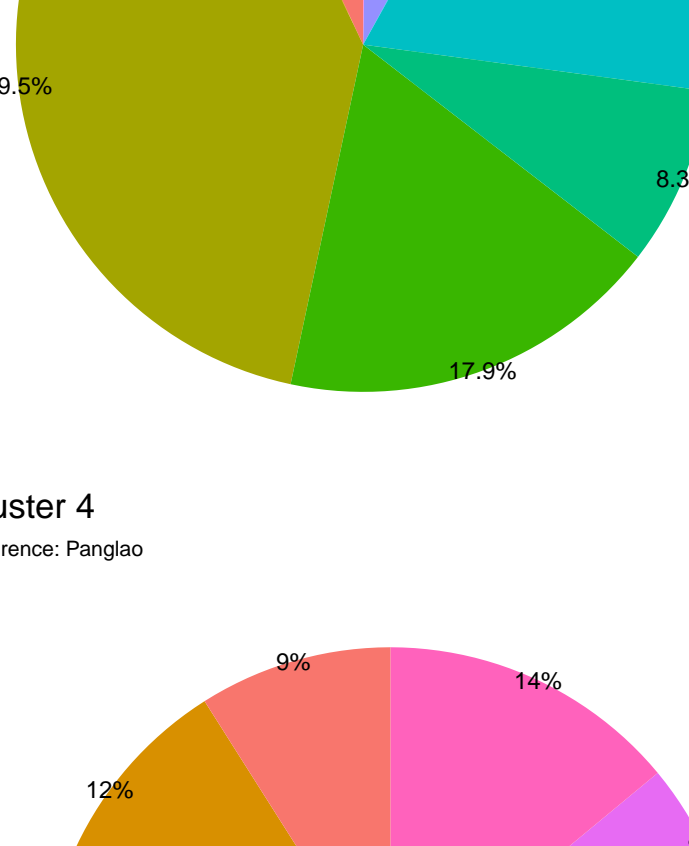

Cell Types

- Cholinergic neurons
- Ependymal cells
- Meningeal cells
- Microglia
- Neural stem/precursor cells
- Neuroblasts
- Oligodendrocyte progenitor cells
- Pinealocytes
- Radial glia cells
- Serotonergic neurons

Cluster 3

Reference: Panglao

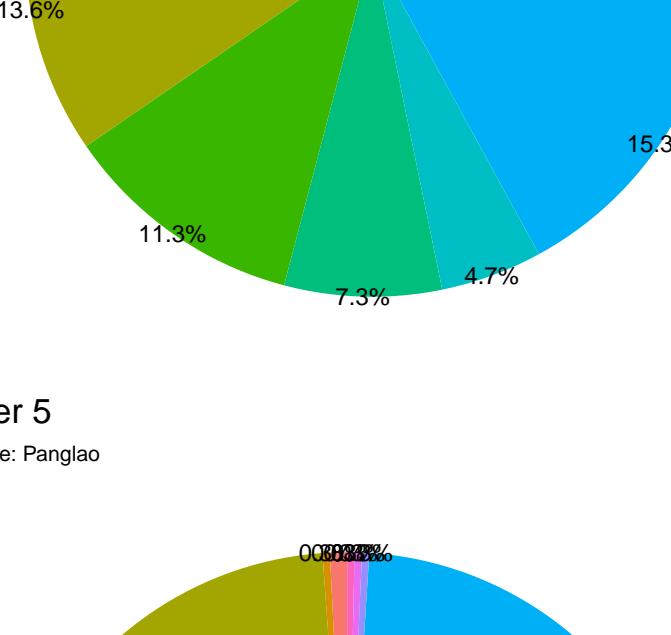

Cell Types

- Adrenergic neurons
- Anterior pituitary gland cells
- GABAergic neurons
- Glycinergic neurons
- Neural stem/precursor cells
- Neuroblasts
- Pinealocytes
- Purkinje neurons
- Retinal ganglion cells
- Serotonergic neurons

Cluster 4

Reference: Panglao

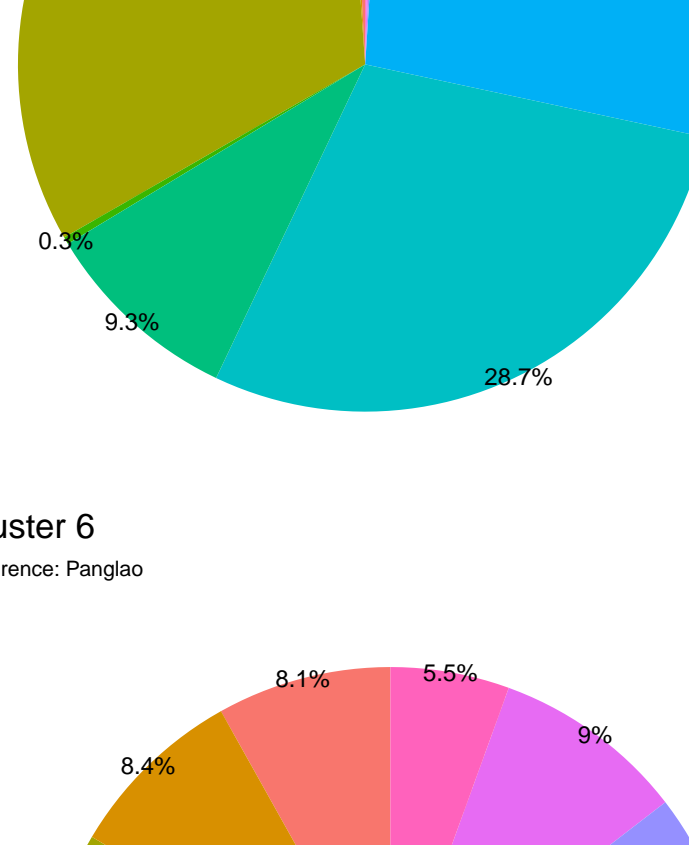

Cell Types

- Cajal–Retzius cells
- Glutamatergic neurons
- Immature neurons
- Interneurons
- Neuroblasts
- Neuroendocrine cells
- Neurons
- Oligodendrocytes
- Purkinje neurons
- Pyramidal cells

Cluster 5

Reference: Panglao

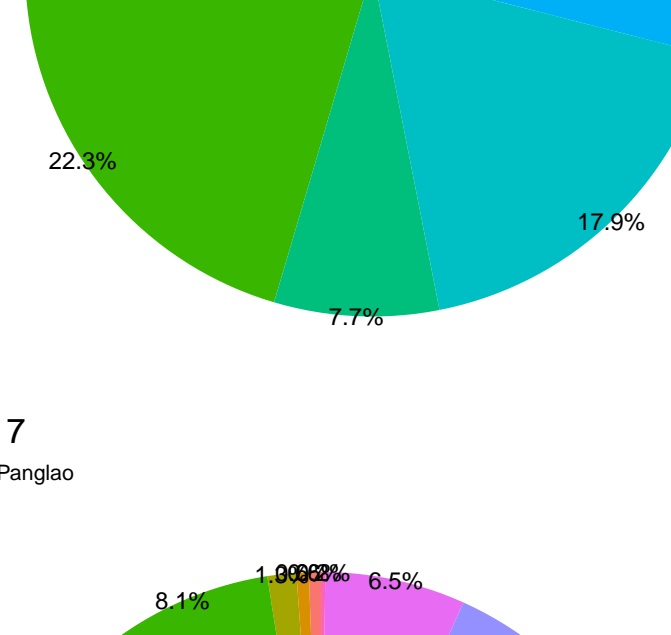

Cell Types

- Adrenergic neurons
- Cholinergic neurons
- GABAergic neurons
- Glycinergic neurons
- Motor neurons
- Neural stem/precursor cells
- Neuroblasts
- Noradrenergic neurons
- Pinealocytes
- Serotonergic neurons

Cluster 6

Reference: Panglao

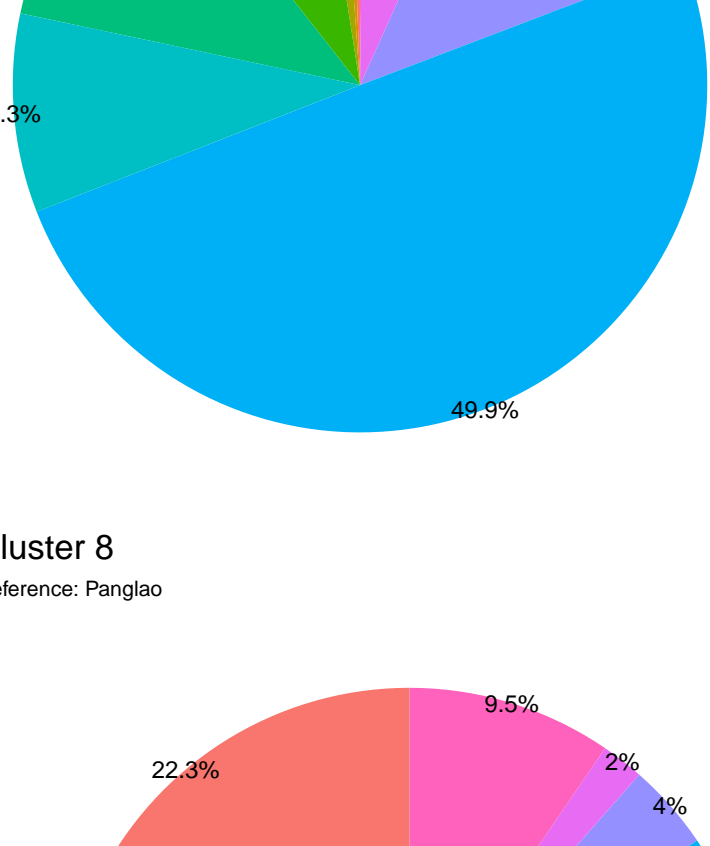

Cell Types

- Cajal–Retzius cells
- Dopaminergic neurons
- Glutamatergic neurons
- Interneurons
- Neuroendocrine cells
- Neurons
- Purkinje neurons
- Pyramidal cells
- Retinal ganglion cells
- Trigeminal neurons

Cluster 7

Reference: Panglao

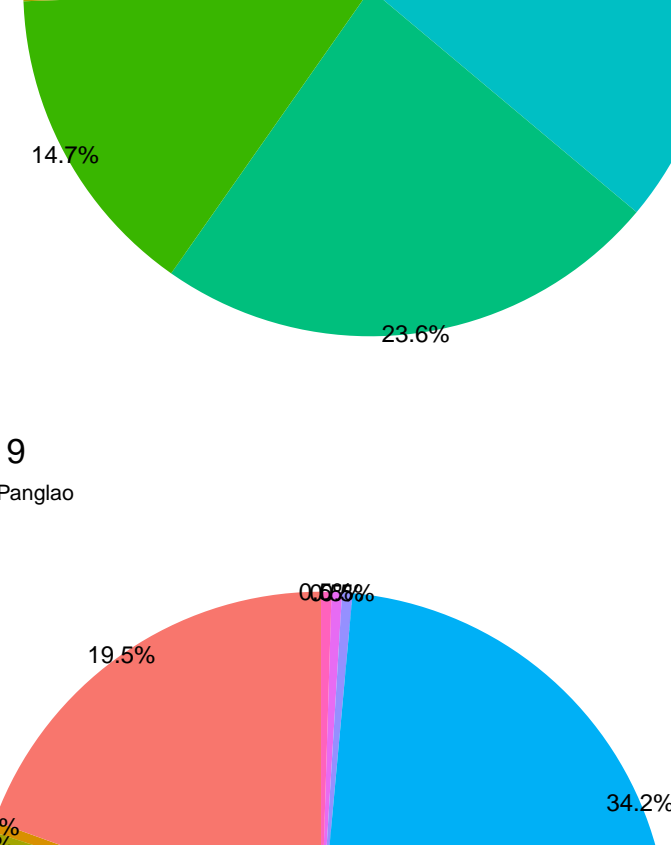

Cell Types

- Bergmann glia
- Cholinergic neurons
- Ependymal cells
- Meningeal cells
- Microglia
- Neural stem/precursor cells
- Oligodendrocyte progenitor cells
- Radial glia cells
- Schwann cells
- Serotonergic neurons

Cluster 8

Reference: Panglao

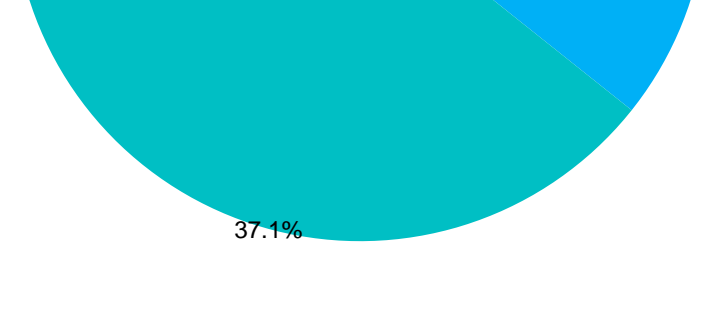

Cell Types

- Cajal–Retzius cells
- Cholinergic neurons
- Choroid plexus cells
- Glutamatergic neurons
- Immature neurons
- Neuroblasts
- Neuroendocrine cells
- Neurons
- Noradrenergic neurons
- Pyramidal cells

Cluster 9

Reference: Panglao

Cell Types

- Cholinergic neurons
- Ependymal cells
- Meningeal cells
- Microglia
- Motor neurons
- Neural stem/precursor cells
- Neuroblasts
- Oligodendrocyte progenitor cells
- Satellite glial cells
- Serotonergic neurons
